Book Description

Warning: The next terrorist attack on American soil is coming . . . sooner than you think. They can strike anytime, anywhere. A public landmark. A suburban shopping mall. And now, the human body itself. Three Middle Eastern terrorists have been injected with a biological weapon, human time bombs unleashed on American soil. They are prepared to die. To spread their disease. To annihilate millions. If America hopes to fight this enemy from within, we need a new kind of weapon. Meet Special Agent Jericho Quinn. Air Force veteran. Champion boxer. Trained assassin. Hand-picked for a new global task force that, officially, does not exist. Quinn answers only to the Director of National Intelligence and the U.S. President himself. Under the radar. Brutal. Without limits. America's answer to terrorism. Praise for the novels of Marc Cameron "One of the hottest new authors in the thriller genre."—Brad Thor "Lots and lots of action . . . the ultimate suspense from the word 'go.' Jericho Quinn is most definitely one of the best characters in the thriller realm. Incredibly awesome." —Suspense Magazine "Field of Fire is yet another blistering read . . . a terrifying and plausible threat, and a wickedly fun cast of characters. Cameron's books are riveting page-turners." —Mark Greaney #1 New York Times bestselling author "Action-packed, over-the-top . . . bloodbaths, explosions, treachery, and mayhem on a grand scale, this one is for you."
