Book Description

Hot, filthy rich, and usually irresistible, Hudson Carlyle just met the one woman in Harbor City who's immune to his legendary charm. Nerdy ant researcher Felicia Hartigan is the unsexiest dresser ever. She trips over air. And she's in love with totally the wrong man. Hudson can't stop thinking about her. His regular moves won't work here. He's going to need a new plan, starting with helping her win over the man she thinks she wants. And if in the process she ends up falling for Hudson instead? Even better. Step one, charm her panties off. Step two, repeat step one as frequently as possible. But what if the famous Carlyle charm finally fails him when he needs it most? Or worse, what if she figures out the one secret he's kept from everyone, including his family, and walks away for good? Contains mature themes.
