## Book Description

One serial killer terrified the world. Imagine what an army of them could do.... Former soldier Claire Madden is arrested at the scene of a brutal murder. She will only speak to former crime reporter Joe O'Connell. Joe's obsession with Obadiah Stark, a.k.a. The Tally Man, cost him everything. He is about to learn that Stark's message did not end with his death. They believe in what The Tally Man stood for. They believe in what The Tally Man did. But he was one, and they are many. Once they have you, they will never let you go....
